OFFERING FREE TRAINING IN 5 DISCIPLINES:

Commercial Painter

Commercial Painters apply paint, stain, and varnish products to the interior and exterior of commercial buildings.

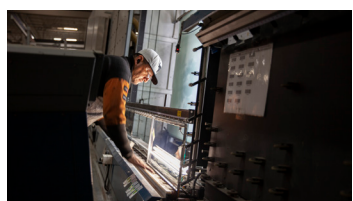

Coatings Applications Specialist

Industrial Painters apply protective coatings to bridges, water towers, and steel structures.

Drywall Finisher

Drywall Finishers prepare and finish walls with joint compounds to prepare the wall for painting or wallcovering.

Glassworker

Glassworkers custom-fabricate architectural aluminum window frames and entrances for commercial buildings.

Glazier

Glaziers install architectural aluminum window frames, glass, and entrances into commercial buildings.

This career readiness program is wholly funded as part of a \$60,000 grant through the MN Dept. of Labor by a grant from the U.S Dept. of Labor. The goal of the grant funding is to address Minnesota's racial and economic disparities by increasing female and minority participation in registered apprenticeship.
