Trading Up 2.0 is a training program at Saint Paul College that provides trainees with a career pathway into the skilled building and construction trades. The trade industries offer family sustaining wages and have a shortage of workers; completing Trading Up 2.0 can put you in demand! Trading Up 2.0 Trainees will be provided with:

- Hands-on experience to explore a variety of trades and develop the skills needed to succeed.
- The knowledge and preparation to build a rewarding career.
- Individualized assessment and guidance counseling from a career navigator, for step-by-step support along the way.

Successful graduates will continue on to an apprenticeship, trade union, trade employer or postsecondary education.

Applicants to the Trading Up 2.0 program must be at least 18 years old, possess a H.S. Diploma or GED, have reliable transportation, be drug free, and currently receiving public assistance in the state of Minnesota, or have a household income at or below 200% of the federal poverty level.
