Equipment Operator Training

August 10-24, 2020

Train for a career working in a warehouse or on a construction site. In less than three weeks, you will learn the skills and tools needed to work in these in-demand, essential jobs.

Education and job search support is provided free to qualifying students.

Certification-based classroom & hands-on training is provided in:

- Flagging safety
- OSHA-10 safety
- Bobcat skid steer loader
- Tool Cat utility vehicle
- Compact Excavator operation

Class size is limited to accommodate social distancing. Masks are required and will be provided if needed.
